SPECIAL PROFILES

Corner surface wide
profile 46x27 mm

Pendant profile
updown 56x70

**SPECIAL
PROFILES**

Corner surface slim
profile 19x19 mm

A 3D architectural rendering showing two types of slim profiles. The top profile, labeled 'Corner surface slim profile 19x19 mm', is shown in a corner where a wall meets a ceiling. The bottom profile, labeled 'Wall profile updown 25x110', is shown on a vertical wall surface. Both profiles are light gray and have a sleek, modern design. The background is a plain, light gray wall.

Wall profile updown
25x110

Surface Application

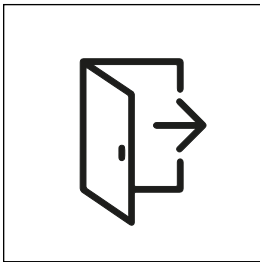

Recessed Application

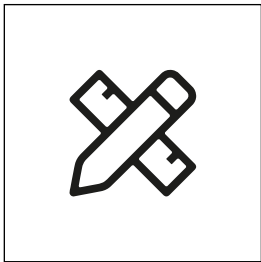

Corner Surface Application

Only for indoor installation

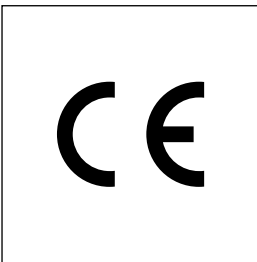

Indoor and outdoor installation *

Customizable kit upon request

CERTIFICATIONS AND NOTES

CE

UKCA

Made in Europe

RoHS

*** Notes:**

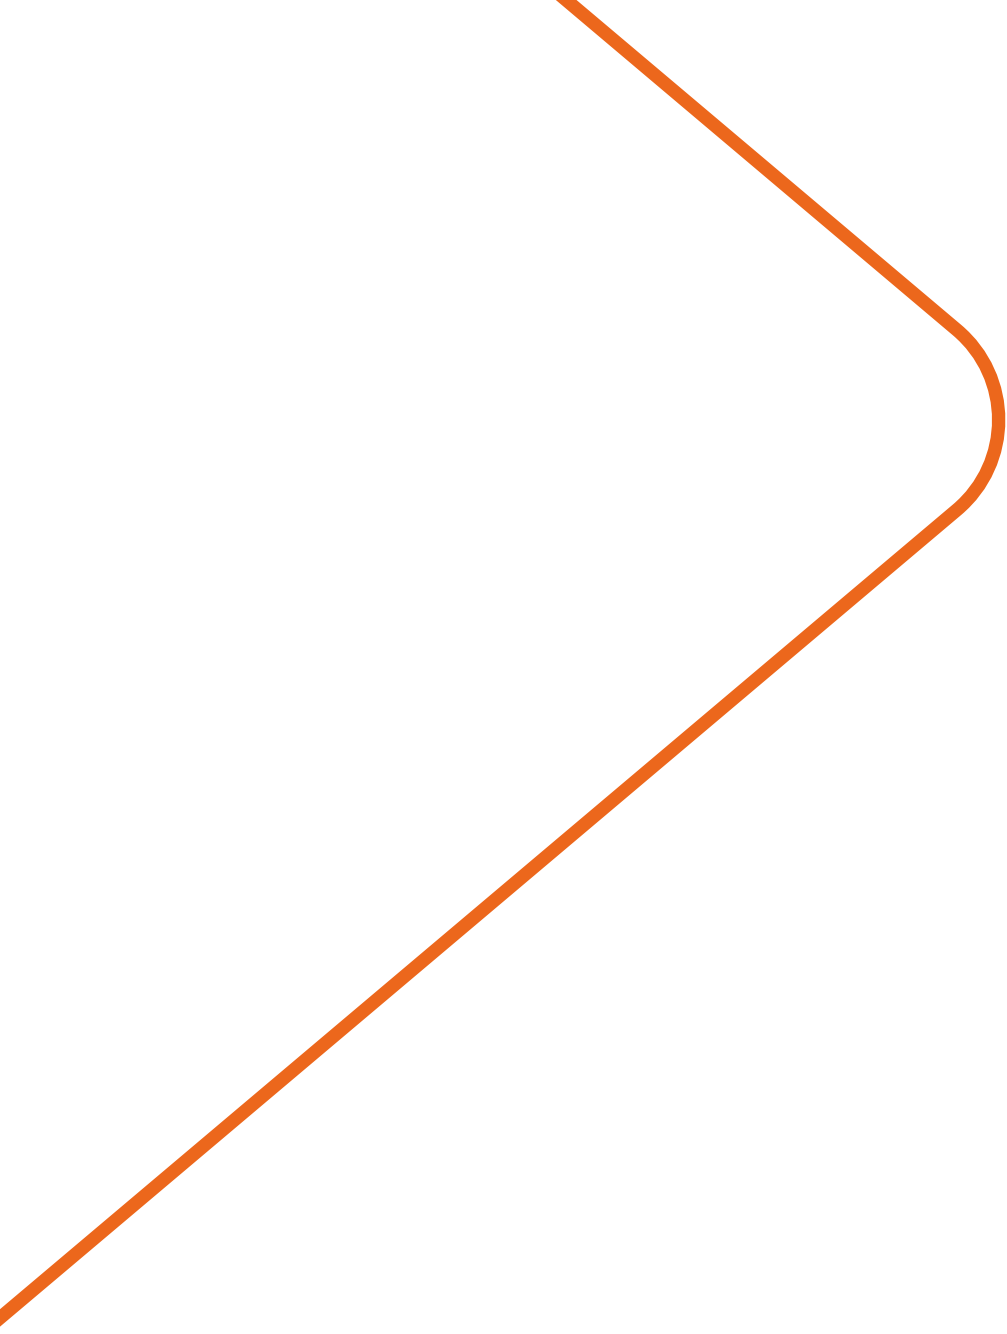

All profiles and their accessories, present in the document, are compatible with the use of our CV modules (see match table) as they do not alternate their specifications.

All profiles and accessories are tested in their mechanical functionality, therefore, it is allowed to use the accessory in the specified application (excluding situations where the installer will not follow the installation instructions).

On an aesthetic level, we inform that, depending on the material, profiles and accessories may undergo aesthetic alterations depending on the environment in which they will be installed.

The profiles are compatible with outdoor installations (where specified) in their mechanical and functional parts.

Accessory covers contain UV protection (however, this does not exclude cases of long-term yellowing of the material).
