

Recycled Content Declaration *in conformance with ISO 14021 Self Environmental Declaration Type II*

Company Name	Inventronics GmbH
Date	21/07/2025

Statement

We, Inventronics GmbH, declare that the housing for the products listed in Annex I, are made from:

- **80 % of post-consumer recycled content, via mass balance attribution**

This statement of recycled content for housing materials is made under Inventronics GmbH quality management program.

Definitions

ISO 14021 defines Recycled content, and its associated terms as follows:

a) Recycled content

Proportion, by mass, of recycled material in a product or packaging. Only pre-consumer and post-consumer materials shall be considered as recycled content, consistent with the following usage of terms.

b) Pre-Consumer material content%

When material manufacturer sources other factories production waste like scraps, trimmings etc. and uses in the new material production supplied to you, the % of the waste materials used is pre-consumer recycled content.

c) Post-Consumer material content %

When material manufacturer sources materials that has already been used by the consumer and uses in the manufacturing process of the material supplied to you the % of the waste materials used is post-consumer recycled content

The information provided here is accurate to the best of Inventronics GmbH knowledge at the present time. In general, compliance status is frequently updated following the receipt of changes notified by the relevant original component manufacturers and we, Inventronics GmbH, will endeavor to make available such compliance status on business documentation provided to our valued customers. Inventronics GmbH has implemented systems to ensure our products are compliant to global environmental regulations and laws. However, not all materials in Inventronics GmbH products may have been independently verified regarding substance content. In the event of any issues arising from information in this document, Inventronics GmbH standard terms and conditions of sale shall apply, unless alternate contracts have been agreed upon in writing by both parties.

For other inquiries, please visit our webpage: <https://www.inventronics-light.com/sustainability> or contact your respective sales representative for the material declarations of specific products.

Luca Bordin
